“ Please inbox me Karen' s number or let me know more about Raymond. I met him through Joyce when she stayed near 23rd & Rhode Island. He was like a brother to me and gave me away on my wedding day, November 1973. He and Vandell Downing were there. I've been looking for Shirley Wynn, too.

“ Raymond was our neighbor for many years---he was a good neighbor and we had many conversations about many subjects, Rocky visited when he was in assisted living---when he was moved to Fond du Lac Rocky was not driving anymore so he couldn't get to visit him anymore. We think about him a lot. Condolences to his family. Thank you Marvin for keeping us up to date on Ray. Rocky (Harold) and Barbara Meton.
