“ My deepest sympathy and prayers are extended to Rebecca's family. I first met her in 1970 at OSU. We lived in the same dorm and we were also roommates during a summer session. I'll never forget all the good times we shared. She was a good person who will be missed by many friends and family. May your family be blessed.

“ Rebecca and I were friends over 51 years. We met at OSU and lived in the same dorm. We would played bid whiz, attended numerous plays, jazz and music events often. We had just attended a play together a few weeks ago. She invited me to her dance events and taught some healthy nutrition and checked on me when I was ill five years ago. Although we were in different sororities and religious faiths, we maintained our close, faithful friendship throughout. I pray for her family her kind, quiet spirit will be truly missed.

“ *It's very hard to believe God has called her home. As a member of the MLK Coalition she was always willing to do whatever was needed. We needed someone to sing "Life Every Voice and Sing" She stepped up. It would be a Blessing if more of us had a heart like hers! She was a Blessing to us and many more. Our heart and prayers go out to her Family!*

She was the quite angel in the Class of 1970, Dunjee High School. Always a smart, and paused leader whose presence was always felt, but never intimidating. A sweet and beautiful soul is what she was. RIP Lady. Your Classmate, Janice M. LaDay
