“ I offer my sympathy, cousin's, for the loss of Reginald. Helene, Trish & Debra I can't imagine you all having to go through a great loss again, so soon. But time never passes when you lose someone dear. May Reginald rest from this world full of sorrows & reap the benefits of Heaven where time, pain & sickness does not exist. Being with Jesus & our loved one's is a gift from God that would bring joy to any soul. I'm praying for our family. Love you all.
