Prayers and condolences go out the entire Woods family. Reginald, II, your dad would be proud of the way you lead the family during this time. Please continue to care for the family and be the leader that your mom and dad taught you to be. You are blessed to have your grandmother and I can see the sparkle in her eye when your name comes up. Calissa is also blessed to have you take the lead during this time - that's what she wanted. Your dad was a great preacher that knew the Word and may God Bless Him for the time he was here to do so. May you have comfort in knowing that you had so many years with him - with no regrets. His church and community will miss him greatly and it was our pleasure to have had the opportunity to know him during the time was pastoring in the area, to fellowship with the church, to be members of the district, and for me to be of assistance along with the entire staff at Rolfe Funeral Home during your time of bereavement. Bless you family!!

“ I definitely send my condolences to the first lady, children, family and friends of Pastor Woods. Actually, I had just started marriage counseling this year. He was very informative, comical, resourceful! I know that he is resting comfortably now. May the memories keep your heart warm, smiles on your face and remain grounded in your faith.

“ I will miss this preacher, my neighbor, my brother, fellow yokeman in the Gospel and community activist. I first knew he was an ok guy when I saw him with a Dallas Cowboys ball cap. We both being big fans and although they are losers, we both defended them to the end! I will miss you my Brother.....

“ *My prayers goes out to the Woods family. His son and I grew up together at Redeemed. I remember when he was the youth Pastor there and told me he saw something on my life. He trained me to be a junior Deacon. Now I'm a story teller as he was. Just want to say I love you all and may God be with you during this time. Rev. Ra'mon Davison and Family...*

“ My condolences to the family of Rev. Woods. He could deliver some explosive sermons! I'll never forget the time he preached about his mother having a serious "Drug" problem. My eyes were big as a grapefruit, because his mother was in attendance. I'm so glad I didn't leave out before he finished his message with a misunderstanding. We learned that his mother "drug" him to Sunday School, "drug" him to church, "drug" him to choir practice - just "drug" him in the Christian way. That taught me to not come to conclusions without having all the facts. Rest well, Rev. Woods.
