“ Ricky you are so miss. We thank you for being a man after God own heart allowing God to use you for His Glory. You continued to labor and harvest as much as you could for the Father. You are truly miss and we thank you for the joy laughter and the history you have shared along the way. You have earned your crown and robe. Love you
Aunt Sarah Hornbeak “Old Timer” and Ronesha Hornbeak-Roberts and family.

“ I am so sad and my heart hurts to hear the passing of my fellow Langston University friend Ricky the beak, I'm from Houston Texas and was so glad to hook up my brother Ricky the beak several years after both of us left Langston. Indeed grateful that we were Facebook friends and communicated regularly with postings a great music from Wayback in the day and I also postings of himself wearing many suits. Saw him at homecoming in 2018. I love you my brother and may you rest in peace. Big John Goodie Phoenix Arizona.
