

## Mr Rickey Leon Jackson

December 6, 1947 - June 13, 2017

Rickey Leon Jackson was born on December 6, 1947, and he departed this life on earth on June 13, 2017. He was the oldest of four children born to Otis and Daisy Jackson, who both preceded him in death. He grew up in Oklahoma City and attended Page Elementary School, Moon Jr. High School, where he was Student Council Parliamentarian, and Douglas High School. At an early age, Rickey united with the St. John Missionary Baptist Church under the ministry of the late Dr. W.K. Jackson, where he served as a youth Usher. By trade Rickey was a Welder. At times he and his brother, Victor, would work on welding jobs on the side by request. Now imagine, if you will, these two Master Welders, (at least in their minds), working together. One being a vivacious, extroverted, free-spirited individual, and the other being this methodical, mechanical, introspective person. Now just imagine,, these two master minds working together to complete a project?? Well, to say the least, with some outside parental insight, the projects did get completed and with both Master Welders in one piece. However: Rickey's greatest enjoyment of life was the fellowship of family and friends. Sometimes being misunderstood because of his great love for mankind. In the 1980's Rickey was united in marriage to Melba Holder, whereby, in later years, came a separation. Melba preceded Rickey in death and to their union was born two daughters and a son. Rickey leaves to cherish his memory his daughters Monique (Dalvin Sr.) Goodlow, and Brittany, and a son Christian; brother: Victor; sisters: Madeline (Clement) Uzoma, all of Oklahoma City; and Myra Jackson, Tulsa, Oklahoma;

grandchildren: Dalvin, Jr., Lyric, Da'Monique, and Harmonee Goodlow; Uncle, Dan Grate; cousin of special care, Odell Smith, and a host of nieces, nephews, cousins, and friends.

“Ricky was an amazing man that I got the pleasure to get to know him when I moved in next door to him, he was the first person to come and introduce himself ! He wasn't just a man, he was my best friend also my only friend to be exact! I loved him so much! He was a very intelligent man, I truly loved this man! It breaks my heart to know I didn't get to go see him sooner! He called me and wanted me to come see him so I went the next day and he was gone, so I figured he may of had an appointment since he wasn't home, I did keep calling him everyday after I left to try and find out what was going on because I couldn't get ahold of him so I had a bad feeling and I called every hospital in Oklahoma but none of them said they didn't have him! I'm just heartbroken because I didn't get the chance to see him when I went to his home to visit him but he was already gone to some place that was trying to take care of him, then I just found out yesterday that he had passed away on the 13th and I wish to GOD someone, anyone would have called me so that I could at the least pay my respects at his funeral! I even gave his case manager my # to call me if there's ever an emergency but I didn't even find out about his passing until yesterday and they already had a funeral. I really wanted to go but I didn't know! He was my best friend in the world, he was also my only friend outside my family! I loved him so much! I'm so sorry to his children and family, , he had the biggest heart I ever seen! I miss him so much already have! He was my only frien ! RIP Ricky Jackson I will always love u and never forget him! Love u always Rick, love always Crystal! U will always be in my heart! If anybody can give me information please call me at 405-503-1178 thank u and GOD bless!

“ The last time I saw Ricky was just before I retired from DHS. He was hired to work in our supply room.I didn't recognize him,but he remembered straight away. We'd sometimes sit around and talked about Moon,Douglass,Junior Junction and the Jewel theater. I told him that I still remembered when he wore that "sharkskin" suit to the Jewel and we both cracked up. R.I.P Ricky,my brother.

“ *I want to extend my sincere condolences to the family. May God grant you peace and strength during this time. Keep Mr. Jackson alive always in your hearts and remember all the beautiful memories given to you by him. In the very near future, the following scripture will be a reality. Revelations 21:4 says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." May God's words bring comfort to you and the family at this time of sorrow.*

“ Dear Myra. Victor, Madeline and Ricky's children, we know we all have lost a loved one but we understand that God has him in a better place. Ricky was quite a character. He always kept us laughing. Even though he is no longer with us, we know he is not suffering and is in a peaceful place. Continued prayers to the family and keep God in your lives.

*Much love, your cousin Diana Jackson Bell*
