“ *Brother Cohran was such a spiritual encouragement to all of us. When he and Bonnie came to the Nicoma Park congregation they made such an impact on all of congregation. The love and concern they had for the friends was so amazing. They changed the entire personality of our congregation. Brother Cohran's talks always made you feel as if he was talking to you personally. His big beautiful smile and his heart felt greetings will be missed by us all. We can't wait to see he and Bonnie together walking hand in hand in the new world.*

“ Robert always viewed the brotherhood As family. Every talk, he had whether it was at the kingdom hall and assembly or a convention started with the words “Brothers”. He will be missed. But he will be put to work early in the resurrection. Mrs. Dan Johnson.

“ In September 2021 Robert gave a talk to our home congregation in which he made the comment that garnered my attention “Love is not an emotion, it’s a learned, ongoing process”. Robert showed that he lived by that truth every day towards both his immediate and extended family. I look forward to his next family reunion.

Please take comfort in the knowledge you are the best daughters he could ever have wanted. Although I didn't know him I know he must have been a grand person and a wonderful father as reflected in his daughter Chrissy.
