“ Auntie, there is so much I wanted to say and so much to tell. Only fun and beautiful memories I have of you, so no tears for me. I find comfort in knowing we had a great relationship. Even though you mostly knew me as a child, I do wish you could've met the woman that I have become.
Love and Miss you dearly. Hope you love the flowers 🌹🌸🌻🌼🌺
... continue to watch over us all. 🙏🏻👍❤️

“ I will miss you dearly Aunt Dena. I can't lie I'm still trying to process the fact that you are gone. It hurts so bad to even think about it. You had a big heart and your personality made anybody who met you fall in love with you. I'm going to miss our talks and the advice you would give me on making better decisions with my life. I know you wouldn't want anyone to be sad you would want us to celebrate your home going. I love you auntie.
