*I worked with Mrs. Hodge for many years. She was the most professional person I've encountered. Always sharp. She impacted many lives at FAA. Her strength and courage to never give up will always be remembered. It was her fortitude that made way for me and others in our career field. Rosa was a trailblazer and I have a lot of good memories of this lady. May you rest in paradise.*

*I worked with Rosa at FAA from October 1984 to her retirement. I will always remember her as a kind, courageous and caring individual who would go out of her way to mentor the junior Contract Specialists, and was never afraid to speak truth to power. Rest in Peace. My prayers and condolences to the family.*
