“ Rosemary has such a sweet souls. Always kind hearted. I remember the time I and her were driving her VW Rabbit (well I was driving) out here on a 155 acre plot of land. The old road was smooth sand and I got the car upto 50mph and hit a rock and put a hole in the oil pan. Hahaha...her and I thought how are we going to tell her dad (Howard Hopps). We finally thoughtwell....it just has a small hole and the old property road just put it there, not telling him about speed lol. I've known Rosemary Stafford (Hopps) almost our hole life.....so many great moments I'll always remember her. Especially her sweet soul.

“ Rose Mary was one of the sweetest people I have ever met. I did not know her well, but every time I saw her she had a kindness to add, a funny thought to share, and her good will and love was apparent. Her passing is a great loss but I know she will go quickly to her reward. Sending love and our thoughts to her husband and son and extended family.
