“ I was sadden when I heard of the passing of my classmate. Roshon always had a happy go lucky attitude and full of laughter. He will surely be missed

“ Roshon, it has taken me a while to post something because I knew if I did it meant admitting that you were gone. I will always remember our last conversation in the hospital at OU. I even shared a little of it at your funeral, this has been incredibly difficult and I still find myself with tears filling my eyes. Jan said it best when she told that hopefully the memories will soon bring smiles instead of tears. Until I see you again rest easy. Parks.

“ To the Patton Family,

*I was disheartened to hear of Rashon's passing. He was one of the greatest point guards to come out of Spencer High School.*

*He was an amazing human being and always saw the good in everybody. Many prayers go out to his family. May God continue to provide strength to his family in the upcoming days.*

“ *I was saddened by reading of your transition I never forget how much of a basketball star you were back in the 80's and the standout at OSU. May Jesus provide comfort to your two oldest children Desire and Roshon II and Brice and your entire family 🙏*

“ Roshon was more than a brother-in-law, he was a family member who blessed our lives. Though he is no longer with us, he will never be forgotten. The love and the memories our family shared will live on forever. Rest peacefully, Roshon.
