“ I met Sadiki in 2001, we were fast friends! Over the course of these 18 years we laughed, fought, disagreed, cried together! Absolutely every conversation was stimulating. No matter how long we would go without talking we always talked on our birthdays which were a week apart. I love my friend and will miss you always!❤️❤️🥹

“ To my dear, dear cousin, Valeria,
The loss of Sadiki truly saddens my heart. I remember seeing him for the first time in July 1974. When he looked up at me with those bright eyes, I could tell then, that he was eager for knowledge. He never lost that hunger for knowledge. I feel honored and blessed to have known Sadiki. I love you both. Your sorrow is my sorrow.
