“ *In Loving Memory of Samayah*

Samayah was a gentle and beautiful presence in our classroom, and though our time with her was brief, she left a lasting imprint on our hearts. She came each day with quiet grace, often dressed in thoughtfully coordinated outfits, a bow perfectly placed in her hair, and a love for pink that brightened the room.

She had a special fondness for Disney's Jessie, and in her own quiet way, she brought a bit of that joy with her wherever she went. Samayah communicated in ways that were deeply meaningful, through her watchful eyes, her calm spirit, and the way she took in the world around her. She observed everything with a quiet curiosity that spoke volumes without words.

Samayah reminded us that presence does not need to be loud to be powerful. There was a sweetness and innocence about her that made her truly special, and she will be remembered with great tenderness.

We are grateful for the time we had with her, and we will carry her memory with us, with every soft pink, every carefully tied bow, and every quiet moment of reflection.

*To Samayah's beloved family,
Please accept our heartfelt condolences. We pray God surrounds you with His peace and comfort during this time.*

May her soul rest in perfect peace.

Putnam City North High School.
