“ *She was an endearing, kind and considerate woman who gave people many chances! I appreciate the time, commitment, devotion and love that she exemplified!*

Although learning late in life that she was family, I admired her from a far and at a distance as she walked the halls of the building full of potentials and bright minds!

She Gave Chances!

“ *Mrs San Rafael White 🙏 from the day we first met, she was one of the most welcoming, graceful, kindest women I've ever known. Mrs Rafael would always give me the sweetest compliments, and I will never forget her. I always looked forward to seeing Rafael, and her sisters walk in at the family gatherings attended. As I'd see them walk in, I felt proud to know these smart, beauties with such class. Even more interesting before I knew them as sisters one of them use to be my principal at Harding middle school (Dr Toure!). I am truly saddened that I did not know, and give you the family my deepest condolences. I felt like she was definitely an angel here on earth, and presence of her will be missed* 💔😞

“ My dear Aunt Rae! Everything is still unreal at times! However, I’m resting on God’s promises believing that “to be absent from the body is to be present with the Lord”! I can only imagine how much greater heaven is than earth! We weren’t ready to say Bye, yet but believing you were at peace brings us peace. Love always,

“ My deepest condolences to the family. My heart aches but not nearly at the level of yours. Rafael and I had an immediate attachment and a special fondness for each other when we first met at Jackson Middle School in the 80's. She was my last principal before I began my tenure as an administrator. She was special, poised, delightful, beautiful, fashionable, effective, and extremely professional. Therefore, she was an excellent role model for me when I began my career as an administrator. We didn't see each other often after I left Jackson, but when we did, you would think we had just talked the day before. She was so special to me. I pray that you feel God's arms tightly embracing all of you -- the family, neighbors, and also the multitude of friends, as you walk this journey. She will be missed.
