

Mrs. Savannah McGee

July 1, 1928 - April 14, 2017

Savannah Harris was born to Mr. Jerry Harris, Sr., and Mrs. Ethel Yates-Harris on July 1, 1928, in Tatums, Oklahoma. She had eight brothers and one sister. Savannah was baptized in the precious name of Jesus Christ and was filled with the Holy Ghost. She lived a sanctified holy life. Savannah was a prayer warrior who had a direct line to Jesus Christ. She would always pray God's blessings on every man, woman, boy, and girl. If you needed help she was right there to pray with and pray you through that tough time. Savannah never met a stranger. Her loving, caring, and generous nature illuminated so bright that those who met her were instantly drawn in to her and became part of her family. She gave birth to 10 children but she helped raise a small village of children. Her love was pure and true and she shared her love with everyone. She had that special way of making all her children and grandchildren feel like he or she was her favorite. One of her best gifts she shared with us is that she would tell us, "I love you Always and Forever!" Savannah loved to cook whether it was beans and cornbread, pig feet and greens, eggs and wild onions, tea cakes, or her good old sweet potato pies. Every bite would be delicious and you could taste the love she put into every meal. She always cooked enough to feed a small army. She would always have Margie or Earlene delivering meals to family and friends in town or sweet potato pies to family and friends living in the country. Savannah showed God's love in how she lived her life and she taught her family and friends to always pray and put God first in their lives. She would say, "Baby, always pray and keep God Number One in your life because He will never leave you or forsake you. God can do all things but fail."

“ *To the family of Mrs. Savanna Mc Gee:
It is said that we can never be separated from those we love, because God leaves us with memories to hold and love that doesn't pass away. And in time, we realize that our loved one lives on, not only in a home beyond the setting sun but within our hearts. The Harris family and the Drain family were closely knitted. With deepest Sympathy.*
