“ Lori,  
I love you, Melvin and Carrie I love you. I wish I knew what to say, but I really don't. Shari always took care of my baby and always gave me the best laughs ever. I could be mad and showing out and she would say "Barbara I just don't know why you gotta clown" and then she would just laugh. I would always straighten up and laugh with her and promise I was not going to do it no more. I will miss my friend. Lori be the strength your Mother and Father will need at this time. Comfort Corey and love on him just a little more for Shari, because she loved him so very much. I love you and I am here.

“ To the family of Ms. Shari Larey Combs-Paul.

*To the Combs / Bradley / Paul family, we are deeply saddened and praying for the Combs / Bradley / Paul family for the loss of your Daughter, Sister, Niece and loved one. It is difficult today to see beyond the sorrow. When looking back in memory will help comfort you tomorrow. The angels are always near to those who are grieving, to whisper to them that their loved ones are safe in the hands of God. When someone we love becomes a memory that memory becomes a treasure. Love is a bond of hearts that parting cannot sever, in spirit and in memory love lives on forever. May you find peace and comfort in knowing that Shari's loss is felt by all who knew and loved her, she was such a kind person who will be greatly missed by all who knew her.*
