“ Sits was a sweet person. I always looked forward to her chicken salad which she always made for our City - Wide mission Christmas program, Whenever we had special programs at our church she would always try and come. When she left Dublin, I would always ask Xzantha and Mrs. Lee if they had heard from her. She was always in my prayers.. praying for the family.

Sita was a very special part of our Dublin After 5 group. Her contagious smile and sweet spirit welcomed the ladies each month at the meetings. Her kind and insightful words were very important during our planning meetings. Her delicious pound cakes were enjoyed by all and were in high demand during our yearly auction. We will miss her so much and will always cherish our special times with this Godly lady. Sympathy, love, and prayers to and for her family. Kathy Beck
