“ Mrs Stephanie was an angel here on earth. I met her while working with the CDC Foundation. My sweet friend, I was calling to check on you and share the news of my son's passing on July 4 and found out that you had transitioned as well. Rest well and I know you were greeted by two angels. Fly High Mrs Stephanie until we meet again.

“ Hi Miss Stephanie, my beautiful friend. I know your beautiful family sent you home with elegance and grace. Covid intervened and caused me to miss your going home celebration but I carry no regrets because I've always let you know how much I love you and how thankful I was for our friendship. I love you. Rest well. I planted a tree in your honor and I pray that your spirit will live on forever.

“ My sincere condolences and prayers for your family. Stephanie and I started working together at the OKLAHOMA county juvenile detention center in the early 90s. From that job she became one of the most beautiful souls to me you could ever meet. I loved her and my heart is broken the fun times the prayer calls. My friend and sister in Christ. I love you and miss you already. 🧑🏻🧑🏻🙏🏻💜

“ Mrs. McDaniels, you will be deeply missed. I am honored to have been a part of your life during these past months. This nurse will miss our conversations and the delightful times we shared. I truly cherish you. I shall strive to maintain composure, as you always encouraged me to do. To your children, I love them, and because of you, I have gained another family, for which I am incredibly grateful. You are my angel. Please continue to watch over us, and I will continue to be a part of your children's lives.

“ I met Stephanie when we worked together at At&T. We became good friends. I could go and talk to her about anything and know that she would keep whatever we talked about between the two of us. Steph I will miss you here on earth. But I know that this is not our home. I will not say goodbye. But I will say this until we meet again. I love you. Your friend Marsha.
