“ I am so sorry for the loss of your dear Terry. Losing someone you love is a most difficult thing to do. It is my hope that you find comfort in God's promise at Revelation 21:3,4. God's promise is that soon he will eliminate all pain, sickness, suffering and death . While we wait for the fulfillment of that promise, may you find comfort in prayer, beautiful memories and the love of family and friends.

So sorry to hear of his passing and will share with our Douglass HS Class of 1970 Forever Friends. Sincere condolences to the Pickens Family and the Creston Hills community.

“ I would like to extend my deep and heartfelt sympathy to the whole family in these difficult times. Your words may not come out, but your tears speak the pain your experiencing. May the family accept something comforting found in Jehovah God's word the Bible at Revelations 21:4 “And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” Psalms 34:18 "Jehovah is close to the brokenhearted; He saves those who are crushed in spirit." May this give the family the strength they need to endure the pain you're feeling. You all are in my prayers.

*My prayers go out to my Creston Hills friend and classmate's brother (Beverly Pickens, RIH). It was your cousin (Zee Bragg) who inform me of the passing of Terry. I want to extend my condolences to his mom, Esther Pickens whom I come to know and love so much through the Bragg family. I wish I was made aware of his passing sooner as I would have loved to say farewell in person. God bless all of you remaining siblings and family.*
