“ I would like to express my deepest sympathy to the whole family. I like to give the family something comforting from God's word the bible. It's a promise that God has said he is going to do for mankind soon. Revelations 21:4 “And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. May God's words bring comfort to you and the whole family. You all are in my prayers.
