“ I just today found out that Mrs. Stout had passed and I'm gutted. I had no idea. She was one of the most wonderful women I'd ever known ... giving, generous and kind. I know all of her family is mourning her deeply. Someone please contact me so I can visit with her adopted children. Marie should have my number or Tony or Freda. I'm sick with sadness for all of you.

“ I spent many an evening in her kitchen planning the next student council event or class function. She and Mr. Henry were always so gracious and encouraging.to me. She will be missed.

“ Aunt Thelma was a selfless and warm hearted person. She was instrumental in changing my life's direction. I followed her advice and turned my life around. The long talks we had were comforting. I'm eternally grateful, aunt Thelma, for you being there, when I needed someone.

“ Aunt Thelma. My mother Jewell's sister and a wonderful mother to her children. Thank God that my mother made sure to instill the appreciation and identity of family as my 2 brothers and I grew up. My younger brother Marcus and I would travel with our mother every summer to Oklahoma for a week or so and would have aunt Thelma's home as our stay place in which she graciously and heartily made sure that our visit was wonderful. My, my my did we have fun! REALLY good times thank God. During those years of visiting aunt Thelma and our other relatives in Oklahoma I began to fall in love with the state and I ultimately moved there after I became of age. A great deal of what I have learned in life about hospitality, respect of other people's spaces and really good food LOL, was taught inadvertently from my dear aunt and I treasure that and all her generosity. She worked hard and loved harder I observed which enforced what my awesome mother was instilling in us. She possessed a lovely gentleness, a cool calm of sorts. Fast forward, as a woman whose mother left us long ago, I can surely say that I know the hurt my dear cousins are experiencing. I know that your mom is only gone physically, and I am positive that the impact that she made in the lives of those of us who had the privilege to grow up around her will continue to be a blessing not just to us but to our next generation. My loving, precious Monica, Toni, Veronica, Donnie and Freda and posthumously Kaye, you guys are more siblings in my heart than first cousins and my gratitude for this emotion is because of aunt Thelma. Love and honor our Lord and Savior Jesus Christ and anchor your lives in His orders for He will ease all hurt, emptiness and discomfort. I truly love all of you and am just a phone call away. God bless.
