“ I met Tommy while transporting for another company, he was always smiling and helping us out. Teaching us younger guys how to present ourselves when working with the public. Rest well my friend.

“ First met Tom at Bone and Joint hospital back in the early 70's. We shared a lot of laughs and he was just a fun person to be around. Prayers to his family and friends. I know he will be missed but remember the good times and the smiles he would put on your face. I will always cherish the friendship we once had and a whole lot of good memories. Behave yourself Tom.
