“ My sincere condolences to Velma Norton’s family. There are times when there are too few words left to heal us, when what we wish for is to be carried out, when all we have left is the hope that tomorrow will be a gentler place to land than today.

The loss of my friend Velma Norton is a great loss to myself, to the St John Missionary Baptist Church, and to all the ministries she served so faithfully while she was a member. I first met Velma when I started with the Prison Ministry under the auspices of the Barbers.’ She had been with them for some time before I joined, and she was a great asset and friend to the Barbers. She was also in my Sunday School class, Lillies of the Valley., at St John Missionary Baptist Church. She served on the Hospitality Committee, July Parrish Fellowship, and was a faithful member of St John Missionary Baptist Church until she fell ill. She always greeted you with a smile on her face and love in her heart. Her presence will be missed. But if we hold on to the memories of our loved ones, they will never truly be far away and will live on in our hearts. Special People in our lives never leave us even after they are gone. She can now rest from her labors and be in the arms of the Lord.
