“ I met Gail at Dr. Jackson's office she was one of our patients. with a great SPIRIT. I always enjoyed speaking with her and her husband Larry while waiting for their appointments. She had a great smile!!! Our office will truly miss her. RIP Gail.

“ Gail and I first started working together back in 1999, she was my Supervisor. Gail has such a beautiful smile and a peaceful way about her that I always felt better when I was around her. Our work associates on occasion would call me Gail and her Carol by mistake. I would say it was because we looked so much alike. I have blonde hair and blue eyes so we made a joke out of it. After I was moved to another location I use to tell people to say "Hi" to Gail for me. They would ask, what does she look like? I said she looks like me. Those were the good old days. I miss you Gail and I will see you in Heaven. Save me a seat next to you.
