“ Growing up in Edwards Addition and attending the same schools was a great foundation for us. As a former neighbor we shared great memories. The family is to be admired and truly beloved. Rest well my friend.

Kenneth and Family, it is with profound sadness learning of the loss of Vernita but we know that "to everything there is a season" and though this season of life for Vernita has ended, we have confidence that the soul has made its journey back to the Father for being absent from the body is being in the presence of the Lord. It is my prayer that great memories of Vernita will be forever present as you walk in this new path and know that love never fails. Be comforted and encouraged. My best Wanda McDuffy Vinson, cousin
