“ The Davis Family would like to extend heartfelt condolences to the Matthews Family regarding the loss of our dear and precious loved-one, who we called "Renee." Renee and her family were stalwart N.A.A.C.P. warriors. Her parents and siblings worked hand-in-hand with Civil Rights Icon, Clara Luper, advisors, and members of the Oklahoma City N.A.A.C.P. Youth Council when we were growing up. Charlotte, Renee's sister, and I were contemporaries. Renee and her sister were close to my brother's Calvin's age. Nonetheless, we were all one N.A.A.C.P. Family who travelled to conventions together, marched together, and worked together wherever needed to advance the human rights cause for our people as well as all disenfranchised people. Words can't express how saddened by the earthly demise of Renee, but we are mindful of God's promises that if we believe in Him that we will all meet again one day in God's celestial paradise. To the Matthews Family, we lament your loss, and we will be praying for you in the days, weeks, months, and years ahead. May God bless you always.
