“ I've often wondered about Walter and just now found this. He was a true inspiration and always encouraged us newbies to the lifting sport. I had the honor of meeting him and Juli at Haggerty's Gym in Midwest City. He was a very kind person.

“ I just found out last night that Walter has passed on from our midst, and am saddened by that fact. The sport of powerlifting has lost one of its greatest ambassadors, not merely in terms of weight lifted, nor world titles won, but more importantly, in terms of who he was. I remember a phone call that I made to him from my home in Maine in 1987, for assistance with some training problems encountered during that period. I was struck with his kindness, patience, sincerity, and genuineness, in answering my questions that afternoon. Truly a class act, whose advice bore good fruit ! On my all-time powerlifting team, Walter Thomas is THE MAN, at 198! Please accept my belated, albeit most sincere condolences.

“ Bro. Walter Thomas was a great friend and mentor to me as a young minister in OKC. He always spoke about getting his "three score and ten". God blessed him with that and then some. He loved the Lord and sought heaven as his home. Rest well, my brother! Much love and prayers to the family!

Thoughts and Prayers,

“ I remember Walter coming over to Hawaii as one of the first real superstars of powerlifting. I think it was in the late 70's at one of Gus Rethwisch powerlifting meets. A very nice and humble man. A great powerlifter. A great human being. Walter you RIP.

“ *To the families of Brother Thomas he will be dearly missed. He was a blessing to my parents Brother Thomas and Sister Earnestine Irons. During the winter of there lives he was always there to help them stay in there home. My family is truly grateful for all he’s meant to our family. Sister Gwen Irons McNeely*
