“ My aunt, Norva Fowler and I send our heartfelt condolences to the family. Wilbur was such a wonderful friend to my cousin, Pastor Reginald Thomas. Wilbur would often visit Reggie and assist my aunt in caring for him in the nursing home. Wilbur was a truly a blessing to our family. His quiet acts of love and kindness meant more than we can ever say. We are out of town and were trying to contact him, and just happened to come across the news of his passing online. He will truly be missed. May the Lord comfort and bless the family. 🌹

“ To the Irving Family. My condolences on your lost of Wilbur who I knew affectionally as Brother 'Dino.'" I knew him for over years 27 years. He truly was a man of God and friend to all. One of my best memories of him among many is when I found out he could cook Greens. He prepared a pot of collard greens for me and my wife and brought them to my house. He came to my house often and we would talk. In his many visits I found out his brother Dwight was an upper classmen over me at Star-Spencer High School where we both graduated. Dwight was a year ahead of me. To you Dwight, We lost a brother. I thank God for the life and legacy of our Brother Dino. May God's peace and comfort be with you and the entire family is my sincere prayer.

“ *Brother Wilbur, you left your footprint on our congregation and all over this city. You used all the gifts that God gave you in His service. You laugh and your love of God and church is legendary. And personally, I thank you for the love you had for my parents. They loved you as well. We will miss you and celebrate your memory always.*

“ Me and my sister knew him through our mom, Regina Daniels. He was my moms best friend for many years. We will all miss DINO. He was like a step dad to me and my sister. I'll never forget a time he came to my sons football game, and was the loudest fan in the stands. ❤️  
My mom loved him, and he loved her as well.  
We will never forget you..  
rest well Dino.. ❤️

“ We called him Dino. We knew him over 25 years through our mother Regina Daniels. Dino always had a good heart. He was always there for and with our mother. They talked everyday and saw each other several times a week for over 25 years. They loved going out to eat and to the casino. Dino was very involved in his church and showed up to so many peoples homegoings to sing his songs! He was like a step father to us for many years. Our mother misses her best friend so much already. He will truly be missed. Rest well Dino. ❤️

“ Wilbur had one of the most resounding bass voices I have ever heard. And it was a privilege knowing and singing with him in our High School choir and our singing group Something Else. I was informed he was a member of the church which my good friend Rev. Larry Ellis was his Shepherd. Rest in peace Brother. I know you are singing praises to The Lord in His presence.. Praying for your family. Amen. Elder Myron King of Houston, Tx
