So blessed and grateful to have known Willie down through the years at ONG. I started there in 1998 and became acquainted with him as the driver of our MLK Jr float for the parade for many, many years! What a time we had. What a blessing he was. I'm latter years i learned that he knew my grandfather in Coyle, Ok where I now reside. Rest in peace Willie! You will forever be in my heart! Prayers and condolences for the family 🙏🙏🙏. “ I didn't know him until I met him through my homegirl Sherry who is his wife. He was a very loving person and kind person, and I'm glad to have met him. His sister Evelyn was my Sunday School teacher for years. I knew then I had met a very sweet person , just like his sister. Rest in Peace Mr. Brison.

The timing of your brother's transformation is so ironic but Jesus is the Reason for the season. So I pray for comfort and mercy.

“ We first worked together fifty years ago. We were in the trenches together working with bricklayers. Fast paced hard work , that left little room for error. Good man . Smart , and eloquent. Rest in peace Willie.
