“ *Mr. Bill Holt, was married to my sister Cathy Nero Holt. Bill was a good man, he was educated, smart, funny and to the point with his words. I enjoyed long talks with him back in the 1980's and over the years, calling him for his birthday.*

I trust that Bill is now at peace with his Lord and savior and doing a little dancing in heaven with Cathy in his arms.

May you rest in peace brother-in-law.
