“ It is with a sad heart to understand God has taken from this world, my sister's son and my brother-in-law's son. But God has keep his word and introduce William Jarome to another life where there is no more pain, sorrow, or weeping. He told him and us, he is coming back, but yet no man know's when or how, but to be comforted with these words, Blessed are they that mourn for they "shall be" comforted and to be absent from this body is to be present with the Lord. Then Ecclesiastes 12:7 teaches us when a person dies, it says, "Then shall the dust return to the earth as it was, and the spirit shall return to God who gave it" William Jarome has return back to God, no other place one would rather be then with God,.
