“ I met Mr Bill and his baby girl Angelica 23 years ago our families became will close they went from friends to family. I gained a new uncle and cousin for life. Uncle Bill was my moms best friend he loved everyone and had a heart of gold if you needed help in any way he was always there no matter what. I'm gonna miss hearing his voice talking to my mom laughing at everything and lifting up her spirits. I love you Uncle Bill I will forever cherish the memories we shared together Rest In Peace Our Sweet Angel We love you 🥺

“ I have fond memories of Billy Rucker from school. Bill was a fun loving compassionate soul. Like many you lose track of people, but you don't lose the fondness you have for them. To the family, I pray that you will be comforted in the memories and love you have. May he continue to rest in our Lord's arms.
