“ The tall man was a member of the Douglass High School Class of 1957! Always known as a gentleman and a friend, "Fize" will be greatly missed. He was widely known as a master back mason. He could be counted on professionally and ...as a friend. As a friend, he and Evelyn would come over to the house, after fishing for the best croppie, etc., and take over the kitchen, doing the best fish fry one could ask for. It was complete with Potato Salad, French Fries, and so much more. It was a joyful time that his friends, Ernie Davis (a home builder) and his wife, Juanita looked forward to annually. What a great friendship my family had with our classmate. He is deeply missed already!
